DIRECTOR'S MESSAGE

Hello everyone,

Welcome to Volume 4, Issue 1 of our Newsletter. At CQ Psych Services we pride ourselves on being able to offer a range of psychological services for clients. Our psychologists are continually taking part in the latest professional development training, to ensure that our service is second to none.

Our newest provisionally registered psychologists, Ellie and Tom, have both commenced seeing clients. This has increased our capacity to take on new clients at CQ Psych Services. Both Ellie and Tom will be focusing on conducting client assessments as well as providing direct client services for Private Clients, WorkCover, NDIS and EAP referrals.

CQ Psych Services newsletters are designed to provide information for Referrers, Clients and the Community. This issue includes information on the NDIS referral process and assessments available. I hope you enjoy this issue.

Please contact the office if you would like to arrange an appointment and as always, we welcome all questions, queries and feedback. Simply email us at admin@cqpsychservices.com.au

Keep an eye out on our Web, Facebook and Instagram pages as we continue to develop these sites.

Until next time...

Suzie Humphrey
Director & Principal Psychologist
BPsych (Hons), MForMentH, MAPS

HOW TO REFER TO US

CQ Psych Services can receive referrals via fax on 4904 1863 or email admin@cqpsychservices.com.au. We accept GP Mental Health Treatment Plans, WorkCover and Private Health Insurance clients but DO NOT offer Bulk Billing. Our admin team is available between 9:00am and 5:00pm Monday to Friday. Outside these times, please leave a message and we will happily call you back.

NDIS REFERRAL PROCESS

CQ Psych Services accepts NDIS clients for capacity building and assessments. We accept self managed and plan managed clients. Please contact the clinic on (07) 4972 6929 or email admin@cqpsychservices.com.au for more information regarding our NDIS referral process.

What is Self Managed?

- Self managed NDIS clients are able to use their funding to receive services from CQ Psych Services. NDIS provides you with funding to access supports that will best help you achieve your specific goals. Clients are required to pay in clinic at the time a service is provided.

What is Plan Managed?

- Plan Managed NDIS clients can use their funding through a plan managed fund. Your support coordinator or plan manager manages your funds, may assist booking your appointments and organising payment of sessions.

Your NDIS management choice determines which providers you can access and how billing is managed.

NDIS FUND MANAGEMENT OPTIONS	Plan Managed	Self-Managed	Agency Managed (NDIA)
CQ Psych Services supports	✓	✓	✗
Invoices issued to and paid by Plan Manager	✓	✗	
Invoices paid by client at time of service	✗	✓	

You can access the 'Referral Form for NDIS Services' on our website or use the link below. If you wish to seek services using your NDIS plan or wish to refer clients to our clinic, complete the online form and provide it to us along with a copy of the clients current NDIS plan.

<https://cqpsychservices.com.au/referral-form-for-ndis-services/>

You can contact us to get further information or to enquire about an appointment by emailing us at admin@cqpsychservices.com.au giving us a call or leaving a message on (07) 4972 6929, or message us on Facebook.

ASSESSMENTS AVAILABLE

CQ Psych Services offers a range of assessments. Assessments can provide valuable information and can be used to guide interventions and the level of support required when formulating a treatment plan.

There are many reasons an assessment may be requested. Schools may want to know a child's intellectual ability in order to best support that child's learning. Cognitive and achievement assessments may be administered in order to inform and make recommendations to the school.

Assessments may also be required to assist in determining a formal diagnoses. This is often done in collaboration with a paediatrician, doctor or psychiatrist.

A range of assessment may be required when preparing a NDIS funding application or when preparing for a NDIS Review.

Information gathered may relate to cognitive capacity and adaptive behaviour capacity. Assessments may include clinical interviews, observations, collateral information from others, and formal psychometric measures that are administered, scored and interpreted by appropriately trained psychologists.

Assessments available Include:

- Memory Assessments (WMS)
- Personality Assessments (PAI)
- Achievement Assessments (WIAT-III)
- Cognitive Assessments (WISC-V & WAIS-IV)
- Autism Assessments (SRS-2, ADI-R)
- Adaptive Behaviour Assessments (ABAS-3 & Vineland)

Contact CQ Psych Services to discuss your assessment needs on (07) 4972 6929.
